Feile Lughasa 2020

There was a rumor that a big dark man with a stoop was staying in a rented house in cloghane. He lived with his big white and grey husky. Nobody had lived in his house for over 40 years. The man loved fishing so he went to brandon Pier. It was the middle of the day and he caught 4 Mackrele 2 for him and 2 for his dog. His dog was very happy. The next day his husky and himself went fishing this time he wasen't so fortunate so he was hungry. now he had to find somewhere that served food. After 20 minutes he found a shop. with The money he had in his pocket he bought some dog food and for him some instant noodles 6 Sardains some taytos and 2 chicken sandwiches. his house was very small. He had no car so he had to walk everywhere. But he was ok with that. He would like to go for a walk everyday for 2 kilometeres. Everyday he met more and more people. He knew lot's of people now and even had 3 new friends. He had only been here only 1 month and

he was well known around the Parish. everyday he walked down to the Shop to get his dog's food and his own food. 1 week later he said he would have a Party to thank everyone for there help. nobody outside his family had Seen his house before. this was a nice way to thank The Parish. He dident have to but he was a nice man. Today he was going to have a Party so he had to mow his lawn and buy Party food, maybe even some beer or Soft drinks. He needed a budget, he Said only 100€ and if you ask me that's alot. It was and he ended up using all of it. Now he only had 100€ left. He Said "how will i get more money?" That will have to wait untill tommorow. So he walked home and he found a lotto ticket. He Saw these in the shop he went to so he knew what the were but dident know It was the euro Millions.
